Bluestem Hall owner, Abbie is the 5th generation at the Barnhart Farm and Homestead. In 1998, The Barnhart Farm began its conversion to a native prairie restoration. With family members, friends and neighbors collecting native species along railroads and in cemeteries, the Barnhart Prairie Nature Reserve began its roots as a state protected wildlife Preservation.

**Because of the nature of this environment we ask that you limit smoking to the parking lot and do not eat outside.

Beyond Alternatives thanks Blue Moon Farm, Sixty Inches from Center partnership funded by Illinois Humanities, Bluestem Hall, City of Urbana Public Arts Program and the Visitors Committee + Art & Design Department at the University of Illinois at Urbana-Champaign for funding & resource support.
